

From the Principal's desk:

I am extremely honored to be receiving the DK Education Stalwart Award. I am grateful for the recognition I have received for my work, because I am very sure that every other nominee for this award was as capable if not more, of winning this award.

I have faced several challenges on my way here, but each one of them has only strengthened me to make me the person I am today. Winning this award would not have been possible without the inspiration I have received from my mentors and every teacher for whom I have the deepest respect, and all my students from whom I have derived the strength to challenge myself and perform better at each stage.

I sincerely thank each one of you for helping me reach a stage where I can proudly hold up this award as a mark of my achievement. Thank you!
